Bing: Against Love A Polemic Laura

January 23, 2018 / Elizabeth L. Gleeson /. In her essay “Against Love,” Laura Kipnis takes a critical stance on today’s idealism and worship of love, and instead explores a more cynical perspective on society’s notions and practices of romantic relationships. Kipnis’ argument is that love costs more than it is worth, as the compromises that must be made in romantic relationships often take priority over one’s own self-fulfillment.

Against Love: A Polemic - Kindle edition by Kipnis, Laura

A review of Against Love: A Polemic. By Laura Kipnis. Nov 29, 2003. Pantheon, 2003. “Hell is other people,” existentialist Jean Paul Sartre once said. That about summarises the philosophy of Laura Kipnis. Her book offers a very jaundiced and bitter look at marriage in particular and relationships in general.

A POLEMIC by Laura Kipnis · RELEASE DATE: Aug. 26, 2003 Deliberately provocative arguments, by cultural critic Kipnis (Bound and Gagged, 1996, etc.) wittily demonstrates that love might not be such a many-splendored thing. The tone's light, even playful, but the thesis is fundamentally serious.

Against Love: A Polemic by Laura Kipnis - Goodreads

Consider that the most powerful organized religions produce the occasional heretic; every ideology has its apostates; even sacred cows find their butchers. Except for love. Hence the necessity for a polemic against it. A polemic is designed to be the prose equivalent of a small explosive device placed under your E-Z-Boy lounge.

Against Love : A Polemic by Laura Kipnis (2004, Trade

In the tradition of social critiques such as Christopher Lasch's The Culture of Narcissism, Against Love keenly examines the meaning and cultural significance of adultery, arguing that perhaps the question concerns not only the private dilemma of whether or not to be faithful, but also the purpose of this much vaunted fidelity. With a novelist's eye for detail, psychological acuity, and linguistic panache, Kipnis at once humorously and seriously explores the rules and rituals of

modern

Against Love : A Polemic by Laura Kipnis (2003, Hardcover

by dow2001Nov 02, 2006. Against Love - a Polemic. Laura Kipnis certainly has a way with words. I'll never forget her comment on a university ruling attempting to regulate professor - student romance. "any situation which causes a student to experience his or her vulnerability, pretty much my definition of sentience."

Nonfiction Book Review: AGAINST LOVE: A Polemic by Laura

Consider that the most powerful organized religions produce the occasional heretic; every ideology has its apostates; even sacred cows find their butchers. Except for love. A review of Against Love: A Polemic. By Laura Kipnis

Against Marriage ould be a much more accurate title for Laura Kipnis's book-length essay, Against Love: A Polemic. Kipnis says in a preface that her arguments are meant to be taken in a contrarian spirit, but I think that arguments made as the devil's advocate must still be coherent arguments--a criterion that not everything here seems to meet. Kipnis is quite willing to admit how fun love is, even if it makes you a little crazy.

A conversation with Laura Kipnis Why would anyone be against love? Clearly no one can be against love. Love has vast power over us, it shapes us as selves. But every age also defines love differently, which raises the question of how and why our current definitions of coupledness became what they are, also whether they're workable or sustainable.
