The American Accent Guide: Lujan, Beverly A: 9780963413932

The American Accent Guide provides an in-depth presentation of the sound system of the English language: intonation and stress, vowels and consonants, rhythm, and the contrasts between sounds. Practical, well-structured exercises focus on developing clarity of pronunciation in addition to recognition of specific sounds, words, and rhythm patterns.

The American Accent Guide: A Complete and Comprehensive

American Accent Guide. Written by Nick Curnow on August, 22nd 2018 | Resources Voice. This is our American Accent Guide, by voice and dialect coach Nick Curnow. For this article, we're going to be focusing on the General American accent, of course there are infinite regional accents in the US, but most auditions and roles simply require a General American Accent, and if you are not a native American speaker, it is important to be able to nail this accent when needed.

Amazon.com: Customer reviews: The American Accent Guide

As far as I can tell, the newest edition of Beverly Lujan's American Accent Guide is the best book available on American accent acquisition on the market today! Beverly Lujan has an impressive resume when it comes to this stuff—including a master's degree in Speech-Language Pathology—and this really shines through in the book.

Bing: American Accent Guide

A guide to speaking and pronouncing colloquial American

The world's best selling accent and pronunciation book. This book starts at the most basic level -- the syllable -- and builds up to the complex intonation that is used in everyday English. This book will guide you to fluency in spoken American English. All aspects of the American accent are covered in detail -- intonation, liaisons and pronunciation.

The American Accent Guide: A Comprehensive Course on the

What most people think as the typical "American accent" is the General American accent which is sometimes called

Network English or newscaster English. It is spoken by the majority of Americans. The modern American accent is older than the British accent and it is closer to how the English language used to be spoken than the U.K. accent is.

AAT Bookstore - American Accent

The recognizable American accent is what English learners commonly strive for. The American accent is actually older than the U.K. accent. The American accent as we know it today was the accent originally spoken by the settlers that first landed in what's now known as the U.S.
