Standards for student supervision and assessment

Decision Triggers for Discussion of Closure, Partial Closure and/or On-Campus Reduction. To support the goal of student, employee and community safety, the NMC Reopening Committee has developed guidelines for monitoring the coronavirus pandemic and its potential impact. These guidelines cover most situations and will be revised as our understanding of COVID-19 changes.

Bing: Nmc Student Guidelines

As a result of changes introduced by the Nursing and Midwifery Council (NMC), the way that trainees' and students' work is overseen and signed off is now very different. From spring 2019, mentors and sign-off mentors will be replaced by practice supervisors, practice assessors and academic assessors. These changes to supervision and assessment while learning in practice will apply to all registered nurses, midwives and nursing associates as well as students, trainees and nurses returning

COVID-19 / Coronavirus Information Hub - NMC

We review and maintain standards for nursing and midwifery education and practice at both pre and post-registration levels. These standards are required to be met by all nursing and midwifery students on NMC approved programmes prior to entry to the register. This will ensure they are fit to practise at the point of registration.
