Vintage Watches: What Collectors Should Know Before Buying

Disappointed that the guide did not address the bracelet/band available for each model year. For a collector, the original bracelet/band for a watch is very important and desirable. There are some great web sites that provide indepth information and data for new collectors of Omega watches.

The Omega Watch Collector Guide: Amazon.com: Books

The purpose of this website is to assist the avid collector in appreciating a watch whose history dates back to 1932 with the introduction of the Omega Marine. The watch can be seen with - 4 dial types; 4 sets of minute and hour hands; 11 bezels; 2 cases; 5 movements; It needs to be appreciated that the study of vintage watches is always the study of probability as today's accurate production methods were not those used 50 years ago.
