Anita Rau Badami explains that "The Hero's Walk is a novel about so many things: loss, disappointment, choices and the importance of coming to terms with yourself and the circumstances of your life without losing the dignity embedded in all of us. At one level it is about heroism - not the hero of the classic epic, those enormous god-sized heroes - but my fascination with the day-to-day heroes and the heroism that's needed to survive all the unexpected disasters and pitfalls of life."
