The Ruins is like all great genre fiction in its irresistible storytelling momentum, but in its lack of mercy, it's more like real life. . . . *The Ruins* is ruthlessly frank about how most of us really behave in extremis. Smith sculpts each of the characters, making us care very much about what happens to these young, naive and sometimes selfish individuals. . . . The Ruins has a claustrophobic feel, which adds to the palpitations of suspense. The great outdoors might as well be a dark, dingy basement full of things that go bump in the night as Smith finds new ways to frighten with his setting."
